News Release

Date: August 30, 2011

For Immediate Release:

On August 30, 2011, members of the Oak Bay Police Department conducted a search of a residence on Chaucer Street and discovered a small scale marihuana cultivation operation in a building in the back yard. Police seized twelve plants measuring five to six feet in height that were nearing maturity and would have produced a considerable amount of marihuana. The police intervention ensured that this year's crop never made it to the market. The matter is still under investigation at this time.

Mark Fisher
Chief Constable
Oak Bay Police Department
